To the Audit Committee
Open Air Campaigners, U.S., Inc.

We have audited the financial statements of Open Air Campaigners, U.S., Inc. for the year ended December 31, 2016, and have issued our report thereon dated July 21, 2017. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 7, 2017. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Open Air Campaigners, U.S., Inc. are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The financial statement disclosures are neutral, consistent and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

The CPA. Never Underestimate The Value.®

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated July 21, 2017.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Audit Committee and management of Open Air Campaigner, U.S., Inc. and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Wentzel and Company, PC

INDEPENDENT AUDITOR'S REPORT

**Board of Directors
Open Air Campaigners, U.S., Inc.**

We have audited the accompanying financial statements of Open Air Campaigners, U.S., Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2016, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Open Air Campaigners U.S., Inc. as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Open Air Campaigners U.S., Inc.'s 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated August 15, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

OPEN AIR CAMPAIGNERS, U.S., INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2016

1. Organization and Nature of Activities

Open Air Campaigners, U.S., Inc. (OAC) is a nonprofit corporation dedicated to evangelism by proclaiming the Gospel in the United States of America and abroad. OAC also assists and equips local churches in effective open-air outreaches, working through field offices located throughout the United States and abroad.

2. Summary of Significant Accounting Policies

The significant accounting policies of Open Air Campaigners, U.S., Inc. are as follows:

Basis of Accounting

The financial statements of Open Air Campaigners, U.S., Inc. have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

Financial statement presentation follows the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) No. 958. Under ASC No. 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. The Organization did not have any assets or transactions that were restricted by donors during the calendar year 2016.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held in checking and money market accounts and certificates of deposit with maturities of less than 90 days.

NOTES TO THE FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, (continued)

Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2015, from which the summarized information was derived.

Donated Materials and Services

Materials and other assets received as donations are recorded and reflected in the accompanying financial statements at their fair values at the date of receipt, when reliable estimates of the fair value of such items are available. Contributed services are reported as contributions at their fair value if such services create or enhance nonfinancial assets or would have been purchased if not provided by donation, require special skills, and are provided by individuals possessing such specialized skills. OAC relies on the services of volunteers; however, the value of these services has not been reflected in the statement of activities since it does not meet the aforementioned recognition requirements.

Expense Allocation

Expenses are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Fair Value Measurements

The Organization adopted the provisions of ASC No. 820, Fair Value Measurements and Disclosures ("ASC 820"). ASC 820 does not require additional fair value measurements, but defines fair value, establishes a framework for measuring fair value in accordance with generally accepted accounting principles and expands disclosures about fair value measurements.

OPEN AIR CAMPAIGNERS, U.S., INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2016

2. Summary of Significant Accounting Policies, (continued)

Income Tax Status

The Organization is exempt from federal income tax under Section 501(c) (3) of the Internal Revenue Code. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b) (1) (A) and has been classified as a public charity under Section 509(a) (1).

ASC No. 740, Income Taxes ("ASC 740") clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements, and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return.

There were no uncertain income tax positions identified that would have a material effect on the financial statements for the year ended December 31, 2016. With few exceptions, Open Air Campaigners, U.S., Inc. is no longer subject to federal or state income tax examinations by tax authorities for years before 2013 and there are no known examinations in progress as of the audit report date.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. The organization's capitalization policy is to capitalize property and equipment when the cost exceeds \$500. Depreciation is computed using primarily the straight-line method over the estimated useful lives of the assets.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2016

2. Summary of Significant Accounting Policies, (continued)

Restricted and Unrestricted Revenue and Support

As is generally the case with deputized support fund raising systems, missionaries raise funds for their own support and for a significant portion of the ministry expenses which they incur. These funds are designated, but not restricted, by donors for the ministry of individuals or for use on particular projects. Funds received by donors for use in particular fields of ministry are used in those fields, but, in accordance with provisions of the Internal Revenue Code, the board reserves the right to redirect funds to specific projects or programs within that field of ministry. Funds designated by donors for use in particular fields are generally spent in the year received. Contributions are recorded when cash is received or when ownership of donated assets is transferred. Bequests are recorded at the time the organization has an established right to the bequest and the proceeds are measurable.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

6. Other Asset

In September, 2015 a donor donated property consisting of 18 acres of land and a home located in Mountain Grove, Missouri to the organization. The property is owned by the organization with the stipulation that the donor maintains the right of possession and occupancy of the property for the remainder of his natural life. The property is designated as temporarily restricted net assets until the right of possession and occupancy is fully relinquished to the organization.

The asset is recorded at fair value, which is determined based on realtor listings of similar properties in the same area.

9. Transactions with Related Parties

Certain members of the board of directors are also officers and missionaries of OAC. Salaries for these individuals are paid under the faith support system described in Note 2, so there is no conflict of interest in setting salaries. Expenses are reimbursed under an accountable reimbursable expense policy and are recorded in appropriate expense categories in the statement of functional expenses.

Members of the board of directors serve without pay for service on the board.

10. Concentrations

Deposits with Financial Institutions

The Organization maintains its cash balances in financial institutions and occasionally the balances aggregate to amounts which exceed the federally insured limits. Accordingly, those balances would have been at risk of loss in the event of nonperformance by the institutions. The subject financial institutions are banks and management of the Organization does not anticipate any nonperformance.

Sources of Funding

Contributions and grants are received from many individuals, foundations and church organizations throughout the world. During the current fiscal year, five contributors represented approximately 9.8% of total gifts and grants.

11. Subsequent Events

Evaluation of Subsequent Events

Subsequent events have been evaluated through July 21, 2017. This is the date these financial statements were available to be issued.

OPEN AIR CAMPAIGNERS, U.S., INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2016

12. Fair Value Measurements

The organization adopted ASC 820 as discussed in Note 2. This standard defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. ASC 820 establishes a valuation hierarchy for disclosure of the inputs to valuation used to measure fair value. This hierarchy prioritizes the inputs into three broad levels as follows. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2 inputs are quoted prices for similar assets and liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. Level 3 inputs are unobservable inputs based upon the organizations own assumptions used to measure assets and liabilities at fair value. A financial asset or liability's classification within the hierarchy is determined based on the lowest level of input that is significant to the fair value measurement.

The following table presents information as of December 31, 2016, about the organization's financial assets and liabilities that are measured at fair value on a recurring basis, according to the valuation techniques used to determine their fair values.

Pt VI, Line 11b The Board of Directors has delegated the completion and filing of the Form 990 to the Open Air Campaigners Central Services office. Yes, these documents are made available to the public. One way is through the Evangelical Council for Financial Accountability (ECFA), of which we are members in good standing, who in turn publish on their website general and specific information and documents regarding our mission for the general public to access. We also make these documents available upon request from our OAC Central Services office which can be contacted by personal visit, telephone, email or website.

Pt VI, Line 19 This is done at both the Management Team level and also at the Board of Directors level. OAC has a three-man Management Team consisting of a Field Director, Personnel Development Director and Central Services Director. When Management Team meetings are held, regular ongoing business procedures of the mission are monitored and reported to the Board which would include the conflict of interest status. Then on the Board level, these status reports are considered and any recommendations are acted on at that time.

Pt VI, Line 12c The process for determining compensation of the Management Team does include a review and approval by our independent National Board of Directors. It is based on statistical data printed by the government and updated on a regular basis. This data is substantiated by our non-staff Board treasurer who in turn reports to our Board of Directors and after due deliberation a final decision is made as to the levels of compensation officially set by Open Air Campaigners for this purpose.
