Open Air Campaigners – USA Proposed Budget - National Operating Fund (NOF) 2024					
	2023 Budget	2023 Actual (as of 11/8/23)	Difference	Comments	2024 proposed
NOF INCOME					
NOF related	50,200	68,335	(18,135)	The Schwab investment account performed very well this year - not optimistic about next year - therefore proposed budget for this is conservative.	30,000
Goods Sold	9,000	10,562	(1,562)	Supplies sales bounced back more than expected thus more income than expected was received for this line item	9,000
Shipping Income	2,000	2,629	(629)	Increase in income due to increased sales of supplies	2,000
Orientation- Candidate School	1,000	-	1,000	No OR/Can held thus no income for 2023, however we expect to host this training next year.	1,000
MPSD	3,000	1,456	1,544	\$50,000 for this was set aside as approved in 2021, we have a current balance on hand of \$10,972 so probably don't need to budget any funds for 2024.	-
Service Charge	160,000	154,794	5,206	We are right on track with this income item - would anticipate the same for next year.	160,000
Staff Conference	-	264	(264)	We had a church donate to help with this year's conference held in Baltimore. No conference planned for 2024.	-
Reimbursement income	11,000	12,450	(1,450)	These funds we receive for producing and mailing out newsletters, copy machine use, etc	12,000
Misc (interest income, etc)	500	12,093	(11,593)	We moved quite a bit of our surplus cash flow into a Vanguard CD which is now working for us.	10,000
<b>TOTAL NOF INCOME</b>	<b>\$ 236,700</b>	<b>\$ 262,583</b>	<b>(25,883)</b>		<b>224,000</b>

Assist / Encourage Staff	6,000	1,187	4,813	Self-explanatory	1,500
Audit	9,000	8,300	700	Our auditors graciously gave us a discount on this year's audit work - no guarantees that this will happen next year.	9,000
Branch Development (Directors meetings, etc)	15,000	889	14,111	Self-explanatory	5,000
Cost of Goods Sold	7,000	5403	1,597	This is for supplies we purchase to resell. Current stock is in good shape so don't anticipate any major purchases next year.	6,000
Evangelism & Discipleship	200	255	(55)	This expense handled at branch level so it is recommended that we do not include in future national budget proposals.	-
Bank & other fees	35,000	20,492	14,508	Majority of this expense is to cover online donation transaction processing fees. We now give donors an option of helping to cover these fees by an additional gift amount and response has been positive.	25,000
Insurance (Multi- Peril)	4,000	3,666	334	Self-explanatory	4,500
Insurance (Workman's Comp)	4,500	3786	714	Self-explanatory	5,000
Meetings (Board / Management Team)	1,000	-	1,000	Most of this expense was the Board meeting at Maritime Conference Center	2,000
Miscellaneous	-	-	0	Self-explanatory	
MPSD  (Ministry Partnership & Staff Development)	3,000	22,605	(19,605)	The bulk of this was for ministry partnership housing paid out which a donor has promised to supplement in the near future. \$50,000 for this was set aside as approved in 2021. , we have a current balance on hand of \$10,972 so probably don't need to budget any funds for 2024.	-

Orientation / Candidate School	1,000	-	1,000	We anticipate running an Or/Can session next year - fees charged to participants will cover the bulk of this expense.	1,000
Payroll Taxes	80,000	86,229	(6,229)	Primarily OAC's share of staff FICA / Medicare payments as the employer of our staff. Staff support has been up, therefore taxes reflect this increase.	95,000
Communication	7,000	4,025	2,975	Includes expenses related to phone, web presence, social media, internet connection, etc	6,000
Postage	5,000	3,647	1,353	Postage rates are rising.	5,000
Promotion	2,000	13	1,987	The bulk of our promotion is web-based therefore included in the "Communication" category above.	1,000
Reimbursement expenses	5,500	3,524	1,976	Stock purchased which will eventually be reimbursed as it is used (Newsletter production, postage, etc)	6,000
Rent	13,000	10,349	2,651	Self-explanatory	13,000
Shipping / Handling	3,000	3,783	(783)	The bulk of this shortfall is supplemented by a modest markup on items we sell so we shall consider an increase in markup for 2024. Shipping rates continue to rise so we recommend increase for 2024 budget on this line item	4,000
Staff Conference	-	41,927	(41,927)	Thankfully, funds to cover this conference held in Baltimore were in hand; therefore we did not assign it as a budgeted item for 2023. No conference is planned for 2024.	-
Travel	8,000	9,456	(1,456)	Expenses related to Management Team local and national travel	11,000

It was Moved, Seconded and Carried that we stay with Wentzel and Company, PC out of Fleetwood, PA who have done a fine job on our behalf for several years now.

It was Moved, Seconded and Carried that for the coming year, we maintain the \$55,000 housing allowance ceiling limit each for staff who claim this allowance on their W-2's which currently include Adams (\$30,000), Briscoe (\$40,000), Dempsie (\$10,320), Ewerth (\$12,000), Fox (\$24,000), Harmon (\$22,000), and Neimann (\$7,875).

It was agreed to accept the verbal update given by Tom Fox and Brian Harmon regarding the branch short term housing fund made possible by a generous donor. This fund will allow our branches to cross-pollinate as they physically visit one another, bringing teams to conduct local outreach which will provide varied evangelistic opportunities, but stretch and refine ministry expertise.

After much discussion both Friday evening and Saturday morning, it was agreed to table the discussion regarding revising the current 12% service charge. Tom Fox will work on a process of gathering information to clarify which of our staff are in financial need and which have sufficient financial health and stability.

Brian Harmon gave a verbal update regarding the status of our current 13 branches and six geographical areas of ministry. It was agreed that we need to continue to pray for additional staff both evangelistic and administrative.

The board took a good amount of time at this point in the meeting to specifically pray for each of our OAC USA staff.

It was agreed that near the end of this current year (specific date to be determined), our board should convene via ZOOM to finalize and vote in a 2023 financial budget along with any other business at hand.

Respectfully submitted,

10. It was Moved, Seconded, and Carried that since a Staff Intern is a current officially recognized position in OAC (ie one who completes SET and OR-CAN and is voted on by the Board to be a Staff Intern), we officially recognize those coming with us on a specific short-term internship as Short Term Partners who may be appointed as such by the

Management Team. Such a Short Term Partnership will streamline the process for those individuals who desire to become OAC staff in a permanent manner and may also spur on other individuals to consider becoming Staff Interns by completing SET and OR-CAN

11. It was Moved, Seconded, and Carried that the Management Team be authorized to use up to \$50,000 of the buffer funds now on hold within our National Operating Fund (which are not designated for any other purpose) toward development of the financial, relational, and spiritual health of our current OAC staff members as detailed below. It was agreed that the Management Team give an update report at the next board meeting as to the progress and current status of this project.

### **FINANCIAL, RELATIONAL, AND SPIRITUAL HEALTH OF THE MEMBERS (FRS) ie BODY LIFE**

It is the number one priority of the Board of Directors and the Management Team (MT) to look after the FRS Health. The MT has been discussing ways to increase the financial health of our membership team – from those in full-time service as well as new staff-interns.

The MT continually strives to assist in the spiritual and relational aspect of OAC family life. The MT also recognized that the staff-interns, as well as some full-time staff still need to become financially healthy.

### **MINISTRY PARTNERSHIP & STAFF DEVELOPMENT (MPSD) NATIONAL TRAINING DEVELOPMENT (NTD)**

National Training Development encompasses a broad spectrum of activities that includes

- a. SET
- b. OR-CAN
- c. Staff Ministry Partnership Development = fund-raising

The Management Team recommends the establishment of a Special Project Fund to fuel the MPSD and NTD.

Such a fund will allow the following:

- Enlisting and hiring fund-raising experts to train our staff to be fully funded in one year.
  - The MT will decide which company/ministry meets our needs best
- d. SET – funds will be used for National Training Development to establish SET in the West Coast, preferably in the NorCal area, as well as other areas

- e. OR-CAN – funds will be available to establish OR-CAN in the new format (OR-CAN 2020 & 2021) when God raises the people to go through the OR-CAN process
- 
- 12. It was agreed that the next board meeting be held via ZOOM on a weeknight at a date later in the current year which will be determined later.
  - 13. Our meeting time was closed in prayer by Matt Martin.

### Zoom Meeting Minutes

Held September 14 2020 at 9am EST

Attendance: Eric Briscoe / John Cutlip / Tom Fox / Brian Harmon

1. There was discussion of the upcoming November family conference followed by a decision to postpone the conference until May/June of next year. Tom Fox will contact Higher Ground Conference Center to gather alternate date possibilities. Tom will let John know details and we will then send information out to our staff and gather a consensus of how these new dates would work for everyone.
2. Staff man John Risner has been discussing the Eric the possibility of taking on a part-time youth pastor position in the Toledo, Ohio area and relocating there from his current location in Tennessee. Pros and cons were discussed regarding such a relocation. Brian indicated that some college campus ministry about an hour drive from Michigan and an hour drive from John's potential location in Ohio would be possible. John also indicated that he desires to continue developing online evangelism outreach to those in China and India but our consensus is that this type of outreach is not our primary focus and would not be an area we desire to develop. Further prayer and information gathering will take place in the days ahead on this matter.
3. Eric indicated that he has been in touch with potential staff man, Sam Veit, who will contact John about coming to Central Services sometime in November to gather information about a possible ministry at that office location in the days ahead.

Tom Fox shared that his church, Belcroft Bible, has agreed to pay for the lodging on our behalf at the local Marriott Suite which will provide for an ideal environment for us to teach and get to know the students. Dates for this will be August 16 - 20. Students will include Powers, Copell, Goss and Itzel.
4. Regarding the upcoming SET, it is scheduled for August 9 – 15 in the DC area led by Tom Fox. We are keeping the attendance low this year due to the COVID-19 situation.

There was agreement that our time together should be geared toward strengthening staff couples and family ties and the Management Team members should be pro-active in spending quality one-on-one time with staff throughout the week for encouragement and related ministry opportunities to our OAC family. Our continuity speaker for the week will be Brian Harmon's dad, Tom Harmon and we have a special time scheduled for Ken Ham to participate as well. \* He also indicated that he has been in touch with Sam Viet who may be a potential staff man to work in our Central Services office.

38 There was discussion on the amount of funds owed to OAC by staff man Zane Dempsie. While

## \* Branding

- Tom Fox led us in a discussion related to the importance of OAC/USA branding and led us through the Land's End clothing and apparel website offering of OAC-logo related items.

## \* Facebook

- It was noted that Tom Fox has taken over the administration of our OAC national Facebook page from Paul Adams and that each branch has been encouraged to develop a Facebook page for their local OAC-related ministries. Tom then led us through an online demonstration of how this currently works and looks like.

## \* Social Media Team recommendations

- Tom Fox shared a verbal report regarding the very first social media committee meeting he conducted with members including himself, Zane Dempsie, Daniel Beaudoin and Mark Sohmer.
- As a result of our discussions on this topic and the input from social media committee members, there was concern at the attitude of staff man, Mark Sohmer as it relative to being a team player, submitting to OAC authority, the use of OAC vs personal branding and other related issues. It was Moved, Seconded and Carried that Tom develop a "punch list" of concerns OAC leadership has related to Mark's attitude and that Field Director, Eric Briscoe, meet with Mark and discuss these in detail with the goal of resolving the concerns noted at this meeting.

Bussen furlough: It was duly noted that the time of furlough granted to staff man, Mike Bussen, by the Management Team will soon be coming to an end as of May 31, 2019. John Cutlip shared that this time has been a successful event in the lives of both Mike and his wife, Renae who have spent time visiting and updating supporting churches, reconnecting with family members in Minnesota, spending time writing and developing evangelism training materials, physically relaxing, rehabbing and engaging in medical testing & treatments, and culminating in recent days with a trip to the Holy Land in Israel.

161 It was Moved, Seconded and Carried that the staff support advance policy be accepted as  
162 presented in written form at today's meeting and incorporated into our policy manual.  
163

164 As a result of requests from staff and as requested from a presentation by staff man, Brian Harmon, at  
165 last year's board meeting, John Cutlip presented a summary of his findings regarding the potential  
166 purchase details for a wide-format inkjet plotter printer capable of producing pre-sketches for use on  
167 sketchboards which could be sold to OAC staff, those we train and to the general public on our website  
168 at a reasonable price. No decision was made.

### **CURRENT FINANCIAL RECOMMENDATIONS**

It was Moved, Seconded and Carried that the verbal audit review committee report be accepted and that the recommended NOF budget for 2019 be adopted as written.

It was Moved, Seconded and Carried that that we acknowledge our entire board as the Audit Review Board for the coming year and that our Secretary-Treasurer to serve as Chairman of this committee.

It was Moved, Seconded and Carried that we stay with Wentzel and Company, PC out of Fleetwood, PA who have done a fine job on our behalf for several years now.

It was Moved, Seconded and Carried that for the coming year, we establish a \$55,000 housing allowance ceiling limit each for staff who claim this allowance on their W-2's which currently include Adams, Briscoe, Ewerth, Fox, Harmon, Neimann and Sohmer.

There was agreement that as new information becomes available on housing, tax and related issues, we share this information with our current OAC staff body at large to keep them in the loop. It was also noted that staff conference venues would be an excellent opportunity to also share such pertinent information and also emphasize and refresh the memory of our staff on important policy requirements (van purchase protocol / travel protocol / social media policies / etc).

### **OTHER MATERS OF BUSINESS**

It was Moved, Seconded and Carried that John Cutlip continue as our official OAC registered agent having legal permission from the OAC/USA Board of Directors to sign documents and otherwise act on behalf of the corporation on approved matters of routine business.

It was noted that we are very thankful to report no conflict of interest matters have arisen during the past year which need attention.

There was agreement that Bob Ewerth continue researching and create a draft copy of an OAC Senior Evangelist job description.

Regarding the issue of Mark Sohmer raising funds for his family van vehicle through his local church, it was agreed that protocol for such fund-raising, along with other important policy matters, be a matter of reminder and perhaps even a regular part of our staff and branch director's conferences in the days ahead. There was agreement that as policy issues are discussed and times of questions and answer sessions are held, future issues of concern may be alleviated by such reminder sessions.

Brian Harmon shared a physical copy of the sketchboard pre-sketch he has printed on a plotter printer on an ongoing basis for ministry use. He emphasized how beneficial this was to his ministry and suggested that we consider the possibility of OAC obtaining a printer to produce pre-sketches for our staff and possibly to also sell on our web store area. Russ Hodder shared that one of his volunteer workers (Grant Nakadate) has successfully found and is using a clear protective film covering to use on top of such pre-sketches that would preserve and even allow them to be used multiple times, he will have Grant send John Cutlip information about this covering.

Russ Hodder led the board in a time of discussion regarding the current progress and future direction of the Truceless Warfare book update. He reported that various staff from here in the States and around the world have sent him valuable information he has been including in the book which is about 50% complete at this time. He would appreciate suggestions as to a title for this publication. Target goal for completion of this project is October of this year.

Bob Ewerth shared a verbal vision of having an OAC Chaplain position established in our mission. There was agreement that Bob Ewerth, Tom Fox and Eric Briscoe work on putting together a job description for this position and submit it to the Board for consideration.

Member Larry Baker will be making his mandatory rotation off the board after this meeting and has announced that he will be officially retiring as a board member. We all gathered around Larry in prayer and thanked God for his faithful service to this mission through the years and committed him and his wife Skogi to the Lord for what He has in store for them in the coming years.

It was agreed that our next physical meeting take place on Saturday, April 13, 2019 hosted by Bob Ewerth in the Philadelphia area.

- When staff minister in five-day clubs and other multiple ongoing meeting situations, separate meeting stats for each day should be recorded.
- In the case of a multi-day ministry or similar event where lodging for participants is provided and/or participants are residents, only one total number for attendance should be recorded as opposed to recording the same number each day.
- To report static board meetings, it was agreed that these stats should simply be recorded under the "other" category on our current monthly meeting report form.

John Cutlip also gave a verbal update on behalf of **Central Services** to augment detailed written reports found in the quarterly reports.

A phone call was made to Eric and conducted on speaker for all board members to participate in which Eric gave an update regarding the following staff:

- An on-site visit with staff man Steve Johnson has just taken place. Steve is ready to receive another evangelist in his area of Iowa to join him for outreach and so we look for and pray to this end.
- Eric has also concluded a visit with Kurt Schafli in Wyoming. The ministry continues well and counsel is ongoing with Kurt and his wife as Eric and Diane work with them in helping to reestablish a healthy relationship between the Schafli's and their eldest son. We also continue to monitor their emphasis on Jewish culture issues and so far it seems there is a good balance but monitoring will continue in the days ahead.

one-time gift of \$500 from our National Operating Fund be given to each of the following 17 branches as an encouragement for their faithful ministry efforts and as a practical help to be used for future outreach endeavours in New Hampshire, New York City and Rochester New York, Baltimore, Philadelphia Pennsylvania & Western Pennsylvania, Texas, Michigan, Idaho, California Bay area, Southern California area, Minnesota, Iowa, Boston Massachusetts, Florida, Arizona and Wyoming.

It was Moved, Seconded and Carried that we stay with Wentzel and Company, PC out of Fleetwood, PA who have done a fine job on our behalf for several years now.

## **OTHER MATERS OF BUSINESS**

It was Moved, Seconded and Carried that John Cutlip continue as our official OAC registered agent having legal permission from the OAC/USA Board of Directors to sign documents and otherwise act on behalf of the corporation on approved matters of routine business.

It was noted that we are very thankful to report no conflict of interest matters have arisen during the past year which need attention.

It was Moved, Seconded and Carried that an ad hoc committee led by Rex Trent and including Joe Toy and Scott Pope. Their mission is to put together a list of pertinent questions to be used by our Field Director, Eric Briscoe, as he embarks on a fact-finding mission regarding recent New Hampshire branch establishment communications which staff man Mark Sohmer has produced and circulated that indicated support of the new branch would be through Mark's local church as opposed to through OAC channels. Eric will meet with Mark and a representative from Mark's local church to present these questions and relay the answers back to Rex for evaluation and determine what, if any, further counsel or guidelines are needed as Mark continues to open up this part of the country to the OAC work. We trust this process will help avoid confusion and ensure the long-term health of this new location now in the early stages of formation.

Regarding the need for new board members, Chairman Trent indicated the need for OAC to

Then, the book Russ is currently working on would be volume 2 picking up from 1980 to the present time. Russ indicated that staff around the world have responded well in sending him materials needed and with the help of our International President, Rob George, the information is coming to him in such a way that he has quite enough resources currently on hand to begin the writing process. He will put this information together, type it up, include pictures with suggested captions which will all be sent to our Central Services office for final proofing, layout, design and printing. We envision initial printing to be in PDF format with eventual distribution in digital form and perhaps even utilizing a book printing-on-demand venue.

The subject of considering women as branch directors and perhaps even board members was introduced. There was agreement that John Cutlip send a poll out to our USA staff to gauge their thoughts on this matter to serve as a resource as this topic is considered in the days ahead.

It was agreed that our next physical meeting take place on Saturday, April 14, 2018 hosted by Bob Ewerth in the Philadelphia area.
